

Sunday Evening.

Dear Miss Parlow.

I have just returned  
from your delightful concert.  
It was so beautiful I  
feel I must tell you so, as I  
came away, and did not stay  
for refreshment.

I loved them all, but  
particularly Debussy, it was  
like an opalescent dream.

Again many thanks, and  
still hoping to see you.

Most sincerely

Maria Fale.

Dear Miss Parlow-

I just want to  
thank you again  
for the lovely  
music we enjoyed  
this evening -

It is an inspiration to hear  
such music so beautifully  
interpreted.

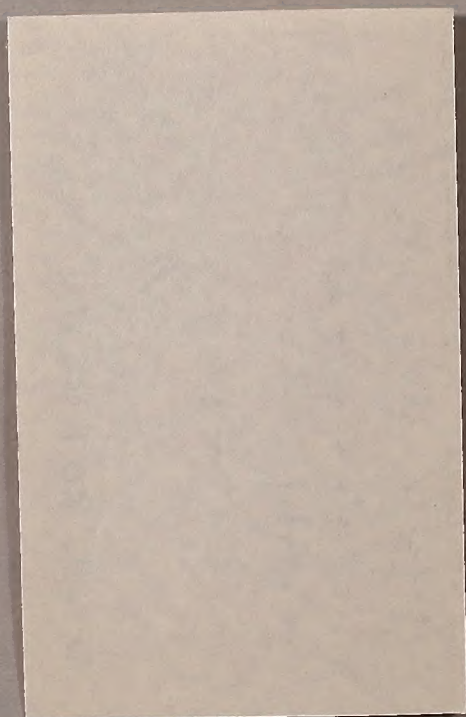

The Parlow Quartette  
plays with such sympathy  
and balance that the listener  
is carried along with them  
to the full enjoyment of the  
lovely music -

Sincerely

Katherine Grove

OFFICE OF THE  
PRESIDENT

Dear Miss Parlow: I did enjoy  
the concert this evening and  
I thank you for the invitation.  
My wife was unable to  
accompany me so I took  
my young daughter. Believing  
that she would be out of  
place at the Reception, I  
brought her home. Hoping  
that we can hear soon  
again your quartet of  
which I have heard -  
with full warrant - such  
high praise.

Yours faithfully,  
May 19, 1946. Sidney Smith
